

Alliance College Alumni Association General Meeting

October 8, 2016

The Riverside Hotel - Cambridge Springs, PA

2016 Web Masters Report

Accomplishments for the year:

1. The Alumni Directory is complete and available on the web site. Alumni can search by graduation year, last name, maiden name, state and/or alumni status. Celeste Mickiewicz worked with Antoine Holman and Mary Carr on generating the alumni directory. However, the directions for uploading the membership database are not up to our expectations and will need to be resolved.
2. Photos from the old web site were located and all available photos have been loaded into the photo gallery. Any additional photos should be emailed to the web master for loading into the gallery.
3. The college history page is still an unfinished item and will be added to the web site when it is completed.

Antoine Holman (Flagship City Consulting) continues to support and advise webmasters Elaine Rachocki and Mary Carr.

Respectfully submitted,

Elaine Rachocki and Mary Carr (1984)
