

Alliance College Alumni Grand Tour of Poland

- Summer 2023 -

Highlights

- The trip to Poland was a once in a lifetime opportunity to experience 21st century Poland with alumni, old friends, and family.
 - It was great to have a mix of alumni spanning from the early 1970s to the 1980s.
 - We had folks from 20 years old to 70 years old.
 - We had people who have been to Poland 20+ times, some who haven't been there since the 1980s, and some who had never been there!
